H3 says 'You're hired'

H3 (Helping the Homeless into Housing) is overjoyed that it has achieved one of its key objectives by hiring its first ever employee.

Jackie has been employed as a Facilities Cleaner and has also volunteered her time to help with the FairShare food redistribution programme for homeless residents at a Temporary Accommodation Scheme managed by Stockport Homes.

H3 hopes that its employees can use this opportunity as a springboard into other work so it can then offer the same employment opportunity on a periodic basis to other people who are homeless within Stockport.

Jackie commented on this opportunity, "When I used to be homeless I felt very lonely. Now with my new job I feel relieved, very happy and I get to meet new people."

Mary Moody, H3 Trustee said, "These are exciting times for H3, and recruiting our first employee is a major achievement and testament to all the hard work of our committee and the H3 members."
