Dear Chloe,

Launch of the 2015-18 Affordable Homes Programme Prospectus

I wanted to write to you personally, to advise that we have today published the prospectus for the 2015-18 Affordable Homes Programme. We have written to all existing HCA Investment Partners to advise that the Prospectus is now live, but we would be grateful to you if you would ensure that news of the publication, along with the link provided below, is cascaded to your members.

The Housing Minister has confirmed the launch of the 2015-18 Affordable Homes Programme bid round and Prospectus that is now live on our website at <https://www.homesandcommunities.co.uk/ourwork/affordable-homes-programme-2015-18>. The Prospectus contains detailed information in relation to the new programme which providers will need in order to help deliver the affordable housing ambitions for their local areas. Bidding for this programme will be via the Agency's Investment Management System (IMS) which it is intended will be available from 6 February 2014.

The new programme represents significant continuity from the current (2011-15) Affordable Homes Programme in terms of the funding model and programme management, but there are some changes that we have introduced as a result of the feedback received from our partners during the current programme.

I look forward to continuing to work closely with you as the programme delivers over the next Spending Review period.

Yours sincerely

Andrew Rose
Chief Executive
