

## ALMO sector recognised in 24 housing's Top 50 Landlords

12<sup>th</sup> July 2019

24 Housing have published this year's list of Top 50 Landlords, which 'celebrates the work that housing associations, ALMOs and councils do every day up and down the country'. ALMOs might be part of a small (but perfectly formed) sector, but consistently punch above their weight. This year, there are 8 ALMOs in the top 50, while the top spot is taken by Homes in Sedgemoor.

Homes in Sedgemoor were awarded top spot after two years at Number 4 with the list stating: 'The ALMO is setting the pace for how to work with tenants, for tenants. Other organisations looking to improve trust and engagement among tenants should look no further than this best-practice housing provider.'

Also in the top 20 are Derby Homes, Tower Hamlets Homes, Berneslai Homes, Blackpool Coastal Housing, Poole Housing Partnership, South Essex Homes, and Homes for Haringey.
