Viaduct's first supported accommodation officially opened

On Friday, Viaduct Housing Partnership officially opened a new supported housing scheme at Grafton Street in Heaton Norris.

The development, which is VHP's first supported new build scheme, will include 11 one-bed flats for affordable rent and will be managed 24/7 by appointed support provider SENSE.

The event had a fantastic turn out with Councillors, Board Members, staff, tenants, local residents and partners invited to celebrate the official opening of the development.

Guests had the chance to have a look around the development.

Cllr Jude Wells, Cabinet Member for Adult Care & Health, said

“What a fantastic scheme, well done to everyone who has been involved in creating Viaduct Housing Partnership's first supported accommodation. I hope all the new tenants settle into their new homes.”

Chair of the Viaduct Housing Partnership board Ken Lee said,
“Congratulations to everyone involved in the Grafton Street development, I am extremely proud of Viaduct Housing Partnership and I am excited for what the future holds.”
